- Global distribution of resources
- UK provision of water, energy and Food
- Focus on Global management of Water – Lesotho highland project & Wakel sustainable management.

10
KS4

Paper 1 - Section A; The challenges of Natural Hazards

- Tectonic Hazards
- Climatic Hazards
- Climate Change

Paper 1 - Section C; Physical landscapes of the UK

1) Coasts Processes Landforms Management	2) Rivers Processes Landforms Management
--	--

Awe and wonder

- Physical geography
- Human geography
- Wonders of the world
- The UK and its importance
- Geographical skills

Economic development

- Development indicators
- LIC, NEE, HIC
- Uneven development causes and consequences

Global resources

- Distribution of resources
- Importance of food, water and energy
- Sustainable use of resources
- Energy focus in the UK

Brazil – NEE

- Location knowledge
- Ecosystems and the Amazon rainforest
- Cultures & religions
- Wealth inequalities
- Favela case study
- Favela improvement plans

Rivers

- Rivers of the world
- River processes
- Upper, middle & lower course of a river
- River landform creation
- River management strategies

Coasts

- Coastal processes and landform creation
- Geographical skills
- Decision making exercise
- Coastal tourism
- Coastal management strategies

9

Asia

- Misconceptions and stereotypes
- A continent of contrast
- Cultures
- Japan focus
- Squatter settlements
- Climate change refugees
- India focus
- Development

Natural Hazards

- Tectonic plates and their hazards.
- HIC & LIC hazard case study examples
- Ways to reduce the hazard risk
- Weather hazards
- Tropical storms
- Case studies
- Geographical skills

Africa

- Misconceptions and stereotypes
- Biomes – key characteristics
- Plant and animal adaptations and characteristics
- In depth country studies
- Inequalities & wealth
- Tourism impacts and conservation

Wasteful world

- Key global trends
- Food waste
- Geographical skills
- Deforestation and soya plantations
- Chernobyl – focused case study
- River pollution and contamination
- World locational knowledge
- Geographical skills

8

Fantastic places

- Australia
- Iceland
- Dubai
- UK
- Tuvalu
- Continents and countries

Geographical skills

- Location knowledge
- Grid references
- Maps
- Scales
- Contour lines
- Symbols
- Longitude latitude
