

Penalty Notices & Your Legal Rights

The government national average attendance for all pupils in secondary schools should be over 92%.

Fixed Penalty Notices are a way for Local Education Authorities to deal with cases where children miss school for reasons which cannot be approved by the school. The issuing of a Fixed Penalty Notice will give a parent the opportunity of paying a fine instead of going to court. These fines are for £80 if paid within 4 weeks, going up to £190 if paid between 4 and 6 weeks.

The issuing of Penalty Notices is considered appropriate when:

1. In cases of absence from School/College/Academy when the pupil has been taken on a holiday during term time and the absence has not been authorised by the school. In such a case, each parent will receive a separate Penalty Notice for each child taken out of school. Should a parent fail or refuse to pay any Penalty Notice issued for this reason, then the evidence provided by the school/college will be the only information laid before the court.
2. Following a Truancy Watch Sweep, enquiries will be undertaken with the School/College/Academy of any pupil stopped. In cases where the absence is recorded as unauthorised then a Penalty Notice will be issued.
3. In the early stages of casework, an Attendance Officer/Education Welfare Officer might form an opinion that the issuing of a Penalty Notice is appropriate e.g. in cases where a parent continually fails to provide an explanation for a pupil's absence in accordance with the school's procedures, or where the school has unauthorised a minimum of 5 absences.
4. Following notification from a School/College/Academy to the LA that a pupil has had an unauthorised absence from school and the circumstances of which appear to have been avoidable. (e.g. too tired after a late night, a birthday treat, family friends/relatives visiting etc.,).
5. When a pupil on the 'Fastrack to Prosecution' scheme fails to achieve the required improvement in attendance.
6. Following a referral from the Wiltshire Police, procedures as at (2) above will be followed.
7. When a child is found to be in a public place during school hours without reasonable justification during the first

5 days of a fixed period or permanent exclusion from school. (Section 103/105 Education & Inspections Act 2006).

Reasonable justification may include a pre-arranged medical appointment or a medical emergency.

In all cases listed above in sections 1, 3, 4, 5, 6, 7, a Penalty Notice will only be issued to a parent(s) if they have been informed that a Penalty Notice might be issued for a pupil's unauthorised absence.

Within this Code of Conduct, a parent is defined as per Section 576 Education Act 1996.
