

The intention for Year 9 is to allow for further and more complex application of previous learning to philosophical and ethical issues regarding beliefs and practices. This is then applied to age related topics .

Year 9

Matters of Life and Death

Is Religion Ethical?

Ethics: What is right and wrong?

Philosophy: Proving God exists What is God like?

Key stage 3

Year 8 begins with Holocaust education in order to develop students learning to encourage them to contribute to HMD.

Year 8

Philosophy: Is Buddhism just Hinduism?

What are Human Rights?

Holocaust Education

Year 7

History: Study of local religions what it means to be Sikhi.

Theology: How and did we get here?

Philosophy: World Views and Identity.

Year 7 Intent: To introduce students to the concept of worldviews and illustrate how people interpret their words from a variety of different positions. Students can then tackle a theological conundrum before consider a variety of views in and around Swindon.
